

EYE with Bruce Russell / video by Kim Pieters

SATURDAY 3 DECEMBER 2005, 8PM
THE PHYSICS ROOM, \$8 / \$5 MEMBERS

Dunedin experimental music trio Eye are renowned for their improvised performances. Bringing together elements of guitar-rock, free-jazz interplay, and musique concrete, with Ryan Cockburn's cut and paste turntablism and Peter Stapleton's manipulation of 'found sound' tapes and shortwave radio, their sound is highly cinematic, and this will be enriched by video projections from Kim Pieters.
