

To boldly go !

Welcome to Christchurch's annual collective gallery open-evening. Art Trek will take you into the cultural heart of the city to enjoy a diverse range of artistic activities in public galleries, dealer galleries and not-for-profit art spaces.

But not as we know it !

Art Trek is a participating event in Don't Misbehave! Scape 2006. From High Street to the Christchurch Art Gallery Te Puna o Waiwhetu, a broad spectrum of the visual arts is on exhibition, from historical to conceptual, and object art to installation. Art Trek offers a unique social arts experience for those who are not regular gallery visitors, and those who are more familiar with the city's galleries.

The Final Frontier !

A free bus will run on a 30 minute cycle connecting the participating galleries in the opposite parts of town - The Cultural Precinct and the High Street Precinct. The Christchurch Art Gallery will act as the central 'hub' providing information for those voyagers seeking further details and assistance.
