

EXPERIMENTAL FILM & VIDEO ART

WEDNESDAY 15 MARCH 2006, 8.30PM
SOUTH QUAD, THE ARTS CENTRE OF CHRISTCHURCH
FREE

In the tradition of Stan Brakhage, Len Lye and contemporary video artists such as Gillian Wearing this selection of works seeks to develop a new language uncompromised by mainstream cinema and orthodox narrative constructions. Removed from the space and conventions of the traditional 'movie-house' these works will be presented in the South Quad at The Arts Centre of Christchurch.

Bring rugs, cushions and picnic hampers or enjoy food and wine from the local cafes and bars.

If raining the screening will be held at The Physics Room.
