

To boldly go!

Welcome to Christchurch's annual collective gallery opening. Art Trek will take you into the cultural heart of the city to enjoy a diverse range of artistic activities in public galleries, dealer galleries & non-profit art spaces. From High Street to the Christchurch Art Gallery Te Puna O Waiwhetu, a broad spectrum of visual arts is on exhibition, Art Trek offers a unique social arts experience for those who are not regular gallery visitors, or others who are also more familiar with the city's galleries.

Don't be a cling on!

RDU 98.5 FM is proud to be associated with Art Trek & to celebrate we are launching "Art Core". This up to the minute art guide will broadcast twice weekly on our airwaves. Keep up to date with what's what in the galaxy of Christchurch art. Art Core broadcasts on Wednesdays & again on Saturday mornings. If it's art in Christchurch, join the Art Core & hear it first on RDU.

The final Frontier!

A free bus will run on a 30 minute cycle connecting the participating galleries in the opposite parts of town, The Cultural Precinct & the High Street Precinct. The Christchurch Art Gallery will act as the central 'hub' providing information for those voyagers seeking further assistance, as well as prizes at the end of the evening.
