

# DEAR PAUL... CLOSING EVENT AND SCREENING OF THE COVE

SUNDAY 6 SEPTEMBER 2009, 5.30PM  
THE PHYSICS ROOM/THE REGENT ON WORCESTER  
TICKETS \$15

The Physics Room invites you to join us this Sunday at 5.30pm in the gallery for refreshments and a final look at Paul Johns' exhibition **Dear Paul...** with the artist before we all head down to The Regent on Worcester to watch **The Cove**.

As a supplement to Paul Johns' environmentally aware exhibition, The Physics Room would like to invite you to attend a screening of **The Cove**, the latest film to tackle head-on the questionable international trade in whales and dolphins and the ineffectiveness of the International Whaling Commission.

**The Cove** follows US conservation group Oceanic Preservation Society—equipped and financed to the tune of \$5 million by Netscape founder Jim Clark—as it penetrates the massive wall of security around the capture of dolphins to populate the world's dolphinariums. Directed by National Geographic photographer Louie Psihoyos, the environmental focus of **The Cove** is also supported by the involvement of American video installation artist Diana Thater. The result is a spectacular, hard-hitting film that promises to not only assault your conscience but also your senses.

**Tickets are \$15 and \$2 from every ticket sold will be donated to Greenpeace/Sea Shepherd.**

**Please book in advance with The Physics Room by 5pm, Friday 4 September.**
